

BEFORE YOU GO... START A GARDEN JOURNAL!

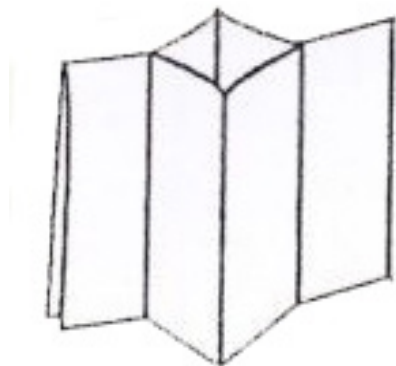

Draw picture, make notes and observations about a garden. Come back and visit the Center for Maryland Agriculture & Farm Park, spend time in your own garden or visit a new place! Show us pictures from your journal on social media-- tag @WatershedPCS and #WPCSGardenJournal.

Instructions:

1. Turn this paper over and fold on all of the the dotted lines. Fold in half to cut the solid line.

2. With your paper folded in half (longways,) push the left and right edges towards each other so that you make a plus sign shape.

3. Fold the pages of your plus sign together to form a notebook... magic! Now fill your notebook with drawings and observations!
